Join us in honoring this major industry milestone by attending, presenting, exhibiting and/or sponsoring the 20th ACCE Sept. 9–11, 2020 at the Suburban Collection Showplace in Novi, Mich. in the Detroit suburbs. “Driving Innovative Transportation,” is the theme for the 20th anniversary event emphasizing polymer composites as the leading technology driving innovation in automotive electrification, mobility and autonomy. The ACCE features technical sessions, panel discussions, keynotes, and exhibits highlighting advances in materials, processes, and equipment for both thermoset and thermoplastic composites in a wide variety of transportation applications. Networking breakfasts, lunches, and receptions enhance the value of the event that attracts over 900 attendees worldwide.
