

The background features a vibrant, futuristic cityscape at night, with tall buildings and glowing light trails. A sleek, glowing car is positioned in the center, surrounded by digital overlays including a Wi-Fi symbol, a location pin, and various data patterns. The overall aesthetic is high-tech and futuristic.

Plastics in Electric & Autonomous Vehicles Conference

May 4 - 5, 2022

Detroit Marriott Troy
200 W Big Beaver Rd, Troy, MI 48084

Sponsored by SPE Automotive Division
