

ADVERTISING IN THE SPE® AUTOMOTIVE DIVISION DIGITAL QUARTERLY NEWSLETTER

GREAT EXPOSURE AND FREQUENCY TO A KEY AUTOMOTIVE PLASTICS AUDIENCE:

- Digital editions of the quarterly newsletter are emailed to approximately 1,000 members of the SPE Automotive Div. and key OEM automotive executives in North America who attend SPE events and conferences.
- The newsletter is sent each quarter with sponsor logos included in the email message for additional exposure.
- Sponsor logos are also included on the front cover of each newsletter.
- Plus, the newsletter is downloaded by approximately 500 people globally, each quarter, from the SPE Automotive Div. Newsletter website, where the newsletter is posted permanently.
- Sponsors also have their logo posted to the website with a link to their website. <http://speautomotive.com/newsletters>.
- In addition to having a quarter, half or full page ad in each newsletter (four issues per term), sponsorship includes a press release, article or advertorial (one full page) in one issue per term.
