

Attention OEMS:

You are cordially invited to attend the 25th -annual SPE® Automotive Composites Conference & Exhibition (ACCE), the World's Leading Automotive Composites Forum, Sept. 3 - 5, 2025 in Novi, Michigan.

The SPE Automotive and Composites Divisions jointly sponsor the annual Automotive Composites Conference & Exhibition (ACCE). This event is designed to educate and update material, design and production engineers; marketing and sales personnel; and management from transportation OEMs and Tier suppliers about the benefits and expanding importance of thermoset and thermoplastic composites in passenger vehicles, light trucks, heavy trucks, and other mobility applications. The event provides excellent networking opportunities and draws over 500 speakers, exhibitors, and attendees from the Americas, Europe, Asia, Africa, and the Middle East.

OEMS ATTEND FOR FREE!

OEMs working directly for a transportation OEM (not their suppliers) defined as original-equipment manufacturers who directly produce automotive, heavy truck, recreational, military, public transportation, off highway vehicles or equipment, or aerospace and aviation vehicles for sale may attend the event free of charge.

Registration is easy:
